

Crestwood Country Day School

Family Fun and Clothing Day Information

June 2010

We are very much looking forward to our Family Fun & Clothing Day on Saturday, June 19, 10:00AM – 3:00PM, and we hope you are as well. We are anticipating a terrific day for all!

On this special day not only will you be able to experience many of the fun activities Crestwood has to offer, but you will receive your child's group assignment and be able to place their clothing into their cubbies/lockers. If your child is an August only camper, please refrain from bringing their clothing until the first day of the August session.

We have been working diligently to plan for this day (and, of course, the entire summer) and are writing to ask for your cooperation. Clearly, Crestwood's grounds will be hard pressed to accommodate the influx of vehicular traffic that is expected due to the popularity of this day.

1. Please cooperate with our parking attendants. Park at a 90 degree angle in all areas and tightly next to your adjacent vehicle.
2. There is no parking between our 10 foot high main gate and Round Swamp Road, on Round Swamp Road or in the adjacent communities (by order of the Town of Huntington). Your car may be ticketed or towed causing your visit here to end in a disappointing manner.
3. We are projecting that our lots will be completely filled at some point. Accordingly, we have secured use of a large parking area approximately 1 mile away, across from the Mobil station on the corner of the South Service Road of the LIE and Old Country Road (Reckson office building-48 South Service Road). Please park in the rear lot (map on reverse). If you are turned away at the entrance to Crestwood, please proceed directly there. Buses will shuttle you back and forth quickly.

If you have a child who has never been transported by a school bus or may have any anxiety about the bus, please consider proceeding directly to the parking area stated above. Riding the bus with your child will prove beneficial. Buses will be available continuously between 9:45AM and 3:00PM, picking up and dropping off at Crestwood's security booth and the parking area.

June 19th is designed to be an enjoyable, informative family day. We look forward to seeing you there for the official start of another spectacular Crestwood summer!

Sincerely,

Mark, Jeff & Bruce
