June 2010

Dear 4th-6th Grade Families,

This summer at Crestwood you will have the opportunity to choose more electives than ever before. Electives are when you will choose one of your favorite activities that Crestwood has to offer, and participate in that activity for a double period.

Now, there will be two different elective periods throughout the week. We have Major Electives and Friday Electives. Major Electives for 4th-6th graders will take place every Monday and Wednesday afternoon during 9th and 10th period. The elective you choose as your Major Elective will last for two weeks. Every two weeks you will choose a new Major Elective.

Friday Electives take place on Friday during 5th and 6th period. The elective you choose for your Friday elective will last for four weeks. You will choose a new Friday elective for the August session.

The choices are listed below, and we are asking you to return this sheet to Crestwood as soon as possible. We will do our best to place each child in one of their top choices.

Thank you and we look forward to an amazing Summer of 2010!

Sincerely,
Robin and Howard
