Check our website by 7:45 AM on Rainy Days for up to date arrangements for your child's group. Please note that due to changing weather this information is subject to change and may occasionally be available after 7:45 AM. All snacks and meals are provided daily. Please be aware that some parents do choose to send extra spending money (for candy and soda) when the children go off campus. Crestwood does not endorse nor forbid this; it is completely a parental decision.

Also check our website for summer photos.
