<b>Parent Drop-off</b>					
<b>Parent Pick-up</b>				<b>6:00 PM</b>	

**Notes** - If you need to write a note to the teen staff, or have papers to hand in to the directors, give them to your teen to give directly to the program director. If the letter is given to the bus driver, there is a good chance that we will already have left the grounds for our trip before the director gets the note (basically defeating the purpose of the note).

- Try to make sure that your teen comes to Crestwood on **Friday July 9**. The fact sheets for the Virginia trip, as well as the itinerary for those teens not going on this optional trip, will be given out and the Teen Meetings will take place. These forms will also be posted on the web site.
- Just a reminder - During the times when the teens are returning from a trip, please leave your cell phones on or let your teen know what phone number you'll be at. You can then be contacted by the "Automated Calling System" if the buses will be very early or very late.
