#### Handling Suggestions:

Cook from frozen. Flat top grill: 350 to 375 degrees when blood rises flip and cook to 155 degrees. Char grill same procedure. Convection oven set at 375 degrees place on a rack in a sheet pan and cook to 155 degrees approx. 17 min.

#### Benefits:

Increased sales from the best tasting burger on the market. Cost savings from shorter cook times and better bite from our Ultimate fill system
